

The Venue

Coverwood is set within the heart of the Surrey Hills, an area of outstanding natural beauty. It is composed of grassland and woodlands, as well as 14 acres of landscaped gardens, where our wedding ceremonies take place.

The Lakes and Gardens comprise 4 spring-fed and interlinked lakes surrounded by mature gardens and trees. The Lakes and Gardens are stunning both during the day and at night when we light up the treeline to create a unique and magical experience.

The ceremony location is enveloped by the working farm, home to a long-established pedigree herd of Hereford cattle and LLeyn sheep.

Exclusivity

When you hire Coverwood Lakes and Gardens, you will have exclusive use for your special day. We are a non-commercial venue with farming forming the core of our everyday operations. This ensures your day is truly unique.

As one of Surrey's longest established outdoor rural venues, our 30+ years of experience provides all of the comfort you need to enjoy your day.

Licenced Marriage Ceremonies

Coverwood can offer a choice of 4 different specific licenced locations to tie the knot. These range from the stone arbour or taxodium wood within the gardens to the historic and intimate racing stables or barn within the farmyard.

We offer many different options, allowing you to decide what type of celebration is right for you. Ranging from simple but very special ceremonies for a handful of guests all the way up to full traditional wedding receptions to cater for 150 friends and family.

Alternatively, there are many wonderful local churches where you can be married and then start your reception at Coverwood Lakes.

Food, Drink and Accommodation

Receptions - Food and Drink

All catering is done in-house. Our on-farm butchery and professional kitchen along with our airstream catering unit, enable us to provide a range of options tailored to you.

We can provide both formal and informal meal options or perhaps a mix of both – the choice is entirely up to you.

Where practical the produce used is both locally sourced and sustainable.

The choice of drink is yours; however, should you want some suggestions, we know of many excellent local Surrey Hills vineyards and breweries.

In addition, we also offer 'proper' coffee, perfect for later in the evening.

Accommodation

Should you need somewhere to stay, perhaps our onsite cottages might be of interest; visit www.surreyhillsholidaycottages.com to learn more.

The local hotel, the Hurtwood Inn, could also have some useful options and we also have a list of other local high quality hotels and guest houses.

Further Information and Contact

Please note that in order to maintain the availability of this tranquil central Surrey Hills venue (and also to comply with Surrey Hills AONB/planning requirements) we require that the venue is fully vacated by 11.30pm and that music ceases at 11.00pm. Camping is not permitted.

Since we are not a commercial venue, viewings are by appointment only.

Power and WC: Please note that depending on numbers of guests (125+) due to the remote nature of the venue, power may need to be supplied by a generator and portable toilets hired in.

The venue is equally suited to a marquee, Tipi or our own Capri tents. We can meet a variety of budgets through the use of our own equipment or via our retained suppliers.
